Manufactured to A.S. 1385 tolerances.
To be laid in accordance with AS/NZS 2455.1:2007 Seam sealer must be applied to all seams (prior to joining).
Cut pile carpets have a propensity to shade. This is not a manufacturing fault. Further information can be obtained from the Carpet Institute of Australia.
Colour variation may occur between sample and production due to dye lot tolerances.
Product specifications may change without notice due
to raw material availability.
